

Report a Problem

What if I see illegal dumping of junk, dead animals, trash or debris?

- Call the police department immediately! Make sure to get a good description of the person dumping, the vehicle that they were driving, and the license number of the vehicle.
- If you see illegally dumped trash after the fact and cannot provide a description of the responsible party, where the trash is located, the City will determine how it is removed.
- If the debris is located on public property (street, sidewalk, or other City owned property) **call Public Works Maintenance at 770-474-0972.**
- For dumping on a vacant lot or private property **call Code Enforcement: 678-833-3307**
